### What is our message?

**The message is that an addict,  
any addict, can stop using drugs,  
lose the desire to use,  
and find a new way to live.  
Our message is hope  
and the promise of freedom.**

### Just for Today Living the Program

Tell Yourself:

**JUST FOR TODAY my thoughts will be  
on my recovery, living and enjoying life  
without the use of drugs.**

**JUST FOR TODAY I will have faith in  
someone in N.A. who believes in me  
and wants to help me in my recovery.**

**JUST FOR TODAY I will have a program,  
I will try to follow it to the best of my  
ability.**

**JUST FOR TODAY through N.A. I will tr  
to get a better perspective on my life.**

**JUST FOR TODAY I will be unafraid, my  
thoughts will be on my new  
associations, people who are not using  
and who have found a new way of life.  
So long as I follow that way I have  
nothing to fear.**

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.
